Directory of LED Traffic Signal Modules Certified Products

Intertek's LED Traffic Signal Modules Certification Program provides manufacturers with independent, third-party test data and Intertek's ETL Verified product labeling for products that comply with the consensus ITE requirements. The ETL Verified mark, a signal of quality and performance, gives manufacturers a means of differentiation in a competitive marketplace, and fortifies consumer confidence in product quality.

8/31/2020

Manufacturer	Signal	Size	Color	Lens Type	Catalogue Number	8/31/2020
Dialight	LED Ball	8-inch	Red	Tinted	433-1110-003XL
